  "description": "This black colored burka with stone embellishment and golden
faux leather material is brought to you by Hawai. Leon fabric. Full length. Full
sleeves. Collared neck. Button enclosure. Niqab along. Burka is an essential part of
islamic clothing. Muslim women wear it while moving out of their house. Burka
essentially depicts their belief and values. This burkas come along with the niqabs
and are kept very loose. It is simple, yet they are designed in an apt manner and are
made of good quality fabric that speaks a lot of your style. This burka is designed
with a collared neck that is made up with leon fabric along with faux leather
material in golden color. Stone studded patches have been placed for detailing.
Beautifully stitched, a line of white stones run through the burka till length. It has
got button closure. Very elegant burka, worth buying! [TYPE: Burqa,Color:
